Request for Streamlined Financial Hardship Waiver
Implementation of CALM Act

Dear Ms. Dortch,

We are filing this waiver request and certification on behalf of our client Carolina Christian Broadcasting, Inc. ("CCB"), the licensee of WGGs-TV in accordance with the waiver provisions of paragraph 53 of the Report and Order, *In the Matter of the Implementation of the Commercial Advertisement Loudness Mitigation (CALM) Act*, 26 FCC Rcd 17222 (2011).

By this letter, we are formally requesting a streamlined, financial hardship waiver of the CALM Act implementation deadline for one year for CCB. As set forth in the Report and Order, a broadcast station is eligible for a streamlined financial hardship waiver if it is a small broadcast station and needs the delay of the requirement to obtain the necessary equipment due to financial hardship. A "small station" for these purposes is defined as either a station with no more than \$14,000,000 in annual receipts or one that is located in any of the 150-210 television markets.

We are enclosing a certificate executed by Dante Thompson, the president of CCB, attesting to the fact that the station meets the definition of a small station and that it needs a delay of one year to purchase the necessary equipment due to financial hardship. We are also enclosing a quote from an equipment manufacturer detailing the specific equipment that CCB intends to obtain.

We further understand that pursuant to the Report and Order, this waiver request is considered to be automatically granted upon its submission and our receipt of an automatic "acknowledgment of receipt".

If there are any questions about this waiver request or the attached certification, please do not hesitate to contact me.

Sincerely,

Elise M. Stubbe
